To apply for child care subsidy you must be the child's/children's:

- mother (biological, adoptive, foster or step-mother)
- father (biological, adoptive, foster or step-father)
- individual for whom a judicial determination of support has been obtained
- legal guardian, other than mother/father

NOTE: Income and other eligibility requirements vary by OPDIV. Please see accompanying instructions from your OPDIV or contact your local Work/Life Coordinator or human resources office for further information. A list of OPDIV contacts is posted on the HHS Intranet, http://intranet.hhs.gov/child_care_tuition.html.

As of October 1, 2000, HHS Child Care Subsidy is a qualified Dependent Care Assistance Program under Section 129 of the Internal Revenue Code. Up to \$5000 (if single head of household or married and filing jointly) or \$2500 (if married, filing individually) received after that date may be tax exempt if your child is considered a "qualifying dependent" and you meet certain other requirements established by the IRS.

To determine whether you meet the requirements for tax exemption, please refer to IRS Publication 503, Child and Dependent Care Expenses. This publication may be downloaded from the IRS web site (www.irs.gov) or ordered directly from IRS on the web or by calling 1-800-829-3676. You must use Form 1040 or 1040A and attach a completed Form 2441 or Schedule 2 when you file your tax return. Any amount over \$5000 (or \$2500 if married, filing separately) and any amount received when you do not meet all of the IRS requirements as described in Publication 503 will be subject to applicable Federal, state and local taxes. If you believe your subsidy is taxable and will affect your total tax liability, you may wish to change the amount withheld for taxes from your bi-weekly pay. You may wish to consult a tax advisor or call IRS at 1-800-829-1040 for further guidance. HHS will not provide income tax guidance.

To apply for child care subsidy, complete the application and attach the following documents:

1. An SF 52 showing your current organizational location
2. Pay statements for the 2 most recent pay periods for each parent or guardian;
3. Most recent Federal income tax returns for each parent or guardian; AND
4. A completed OPM Form 1644 (May 2003), Child Care Provider Form, signed by your child care provider, and a copy of your child care provider's most recent license or statement of compliance with State and/or local child care regulations.

Note: If care is provided by more than one child care provider, a completed Form 1644 and accompanying documentation must be submitted for each provider.)

Completed applications and accompanying documentation are to be sent to the address provided in your OPDIV instructions. Please keep a copy of your completed application form and accompanying documents as you may be contacted by your program administrator for clarification.

This application must be completed by the eligible HHS employee and may be submitted at any time. The program is funded on a fiscal year basis, and there is no guarantee that subsidies will be funded every fiscal year. If no funds are available at the time you apply, you will be notified and placed on a waiting list. Incomplete applications will not be processed and will be returned to you. If you do not provide all of the information requested, you will not receive a child care subsidy award. When more than one parent works for the Federal Government, child care subsidy cannot be awarded for the child/children by more than one Federal agency.

Privacy Act Statement:

Public Law 107-67, Section 630 (November 12, 2001) confers regulatory authority on the Department of Health and Human Services for agency use of appropriated funds for child care costs for lower income Federal employees. Section 6051(a)(9) of Title 26, United States Code, requires that on or before January 31 of each year an employer list on an employee's W-2, Wage and Tax Statement form, the total amount of dependent care assistance provided to the employee. The Social Security Numbers will be used for identification purposes in determining eligibility for child care tuition assistance and to report any such assistance provided on the W-2. The primary use of information regarding family income (copies of pay slips and tax returns), name of current child care provider, copies of the provider's license, statement of compliance, and information about other child care subsidies is also to determine eligibility for child care tuition assistance. Information collected may be provided to Members of Congress or congressional staff in response to a request from a constituent who is the subject of the information; the Department of Justice, court or tribunal in the event of litigation; experts, consultants, or contractors of HHS to implement or operate the subsidy program; Federal, State, or local agencies if HHS is made aware of a violation or potential violation of law or regulation; and the Office of Personnel Management or General Accounting Office to evaluate the subsidy program. Disclosure of the information in the application is voluntary, but failure to provide all of the requested information may result in denial of your application.
